662 Mariposa Avenue is a beautifully renovated two-story apartment building totaling approximately 4,918 square feet of living space situated on a 10,489 square foot lot in highly desirable Mountain View, California.

The unit mix consists of one two-bedroom/one-bathroom unit, seven one-bedroom/one-bathroom apartment units and one studio. The building lies on a clean concrete perimeter foundation with asphalt driveway and is constructed of wood framing with stucco exterior. The 30-year roof was installed just 12 years ago and is in exceptional shape. Eight of the nine units have new double-pane windows, copper plumbing, tile flooring and granite countertops.

For the tenant's convenience there are nine off-street and covered parking spaces as well as an on-site coin operated laundry facility. Two of the rear units have fenced-in back patios, and all units look-out on the mature landscaping, which give its tenants a quiet secluded feel. This incredibly well-maintained property will give the new owner an excellent turnkey investment opportunity with minimal maintenance.

The property is located in close proximity to Google Campus, and all other major employment hubs via Highway 101 and 280. Additionally, Mountain View's low housing affordability coupled with increasing jobs, should yield higher rent growth, and decreasing vacancy to under an estimated 3 percent by the end of 2014.
